Medicaid

1,164,784 children (as of October 2024) ¹⁷

What is it?

Medicaid is a jointly-funded, federal-state medical program for individuals and families with low-income.

Who does it cover?

It covers children, pregnant women, the aged, blind, and/or disabled people. All Georgia Medicaid beneficiaries must be citizens or legal residents for five years.

What does it cover?

In Georgia, Medicaid covers primary, preventative, specialty, dental, and vision care. In addition, the insurance coverage hospitalization, emergency room visits, prescription medication, mental health care, and non-emergency medical transportation.

How is it funded?

Medicaid is financed through a combination of federal and state funds. The federal dollars vary year-to-year based on facts like the per capita income. Georgia's federal financial participation matching rate for Medicaid is 66.4% for the federal fiscal year 2025. ¹⁸

PeachCare for Kids[®]

243,260 children (as of October 2024) ¹⁹

Georgia's Children Health Insurance Program (CHIP)

What is it?

CHIP is a federal assistance program that helps states provide insurance for children in families with low-income that make too much to allow them to qualify for Medicaid coverage, but make too little to provide the insurance on their own.

Who does it cover?

In Georgia, CHIP covers children in families earning at or below 247% of the federal poverty level (at or below \$74,100 for a family of four).

What does it cover?

In Georgia, CHIP covers primary, preventive, specialty, dental, and vision care. In addition, the insurance covers hospitalization, emergency room visits, prescription medications, and mental health care.

How is it funded?

Federal matching funds are available to subsidize more than 75% of the benefit cost less premiums with the remaining percentage coming from the state. The percentage of federal matching funds is adjusted annually. Georgia's enhanced federal financial participation matching rate for CHIP is 76.23% for the federal fiscal year 2024. ²⁰
